# Why Become A Sponsor?

**T**he Lauderhill Regional Chamber of Commerce is a non profit business organization, working to maximize the success of its members and the business community.

The chamber is joining forces with the City of Lauderhill, Sister Cities, community organizations and the media to increase opportunities to network with other businesses in South Florida and to explore global markets. The Chamber plans to make a difference in the community by presenting a donation to the "Broward Cares Mentoring Movement" during the Awards Luncheon.

We are proud to present the 7th Annual Business Expo; offering a unique experience to expose your business through several activities. We invite you to participate in this great event as one of the elite sponsors.
